

Southampton's New Waterfront Park

Central to our plans is a new, significantly enlarged Mayflower Park - We want to give the city a great place to enjoy - Brilliantly landscaped, beautifully built, your park will provide a place to relax by the water, a stone's throw from home

A park for: relaxing / promenading / running / playing / indulging

A park for the city to enjoy

A park within a new urban setting that befits its location - a beautiful place in elegant surroundings

What is the process?

We are developing a masterplan to deliver our vision - over the summer we are consulting various interested parties and user groups:

- **JULY 2014** - Local interest groups: Consultation Workshop
- **11th JULY 2014** - Public Exhibition
- **16th JULY 2014** - Council Consultation
- **SEPTEMBER 2014** - PSP Southampton Boat Show
- **SEPT/OCT** - Public Engagement: Proposals Update
- **SEPT/OCT** - Design Review
- **EARLY 2015** - We aim to submit an outline planning application

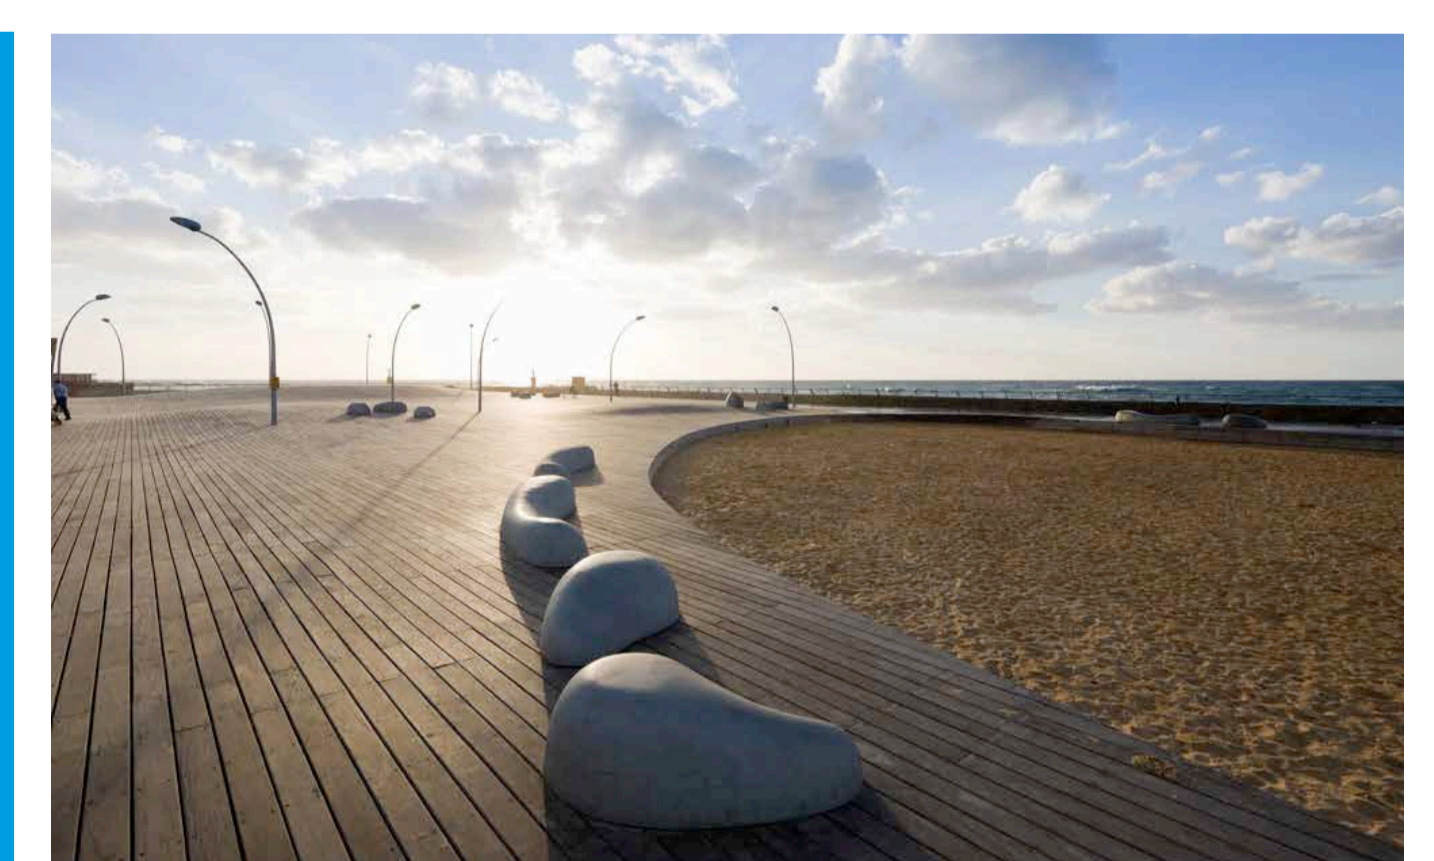

What are the Timings?

This is a long-term process, but we aim to get started as soon as we can:

- Possible start to land reclamation after 2015 PSP Southampton Boat Show
- First Boat Show on new park land in 2016/2017
- Red Funnel relocation could start 2015/16
- First buildings could start in 2016/2017

Please take a leaflet and give us your feedback - everyone has great ideas!
